1. In E - den's bliss we walked with God un - hind - ered by the curse.
 2. Be - neath the Law we sought the Lord through sac - ri - fice and priest.

 4. In Je - sus' name we bold - ly come be - fore the throne of grace.

Yet we re - belled and were ex - pelled— e - stranged, a - lone, per - verse.
 One time each year one man, in fear, sought God with blood of beast.
 Ful - filled the Law with - out a flaw— our Tem - ple, Priest, and Lamb.
 With emp - ty hand, in Christ we stand to seek Al - might - y's face

Two might - y cher - ubs barred the path to E - den's ho - ly place;
 Still might - y cher - ubs blocked the way so sin - ners could not pass—
 A - stound - ed cher - ubs stepped a - side; each hid his flam - ing sword.
 Till saints and cher - ubs join in awe a - round the Sav - ior's throne.

No more could men, now stained by sin, be - hold our Mak - er's face.
 In cur - tain sewn, on gold - en throne, they stopped the re - bel fast.
 With nail and thorn the Veil was torn; draw near through Christ the Lord!
 With one great voice we will re - joice: "all praise to Christ a - lone!"
