

# Why Drown in Hopelessness?

(Psalm 42 & 43)

1. As deer de - sire cool springs, O liv - ing God, I long  
2. Your tests, like crash - ing waves, Throw me a - gainst the Rock.  
3. O Ref - uge and De - light, De - fend me from my foes.  
4. My soul, heed Christ's com - mand: "Take heart with - in the strife.

For You to in - ter - vene; Turn sor - row in - to song.  
Yet, doubts as - sail my faith; I ques - tion, "Where is God?"  
Shine truth in - to this night, And lead me safe - ly home.  
Be - lieve in Me— I am The way, the truth, the life.

My soul, why drown in hope - less - ness? Trust in your Sav - ior's  
My soul, why drown in hope - less - ness? Trust in your Sav - ior's  
My soul, why drown in hope - less - ness? Trust in your Sav - ior's  
Though trib - u - la - tions will in - crease, So will My com - fort,

prom - is - es. Soon you will praise His faith - ful - ness.  
prom - is - es. Soon you will praise His faith - ful - ness.  
prom - is - es. Soon you will praise His faith - ful - ness.  
joy, and peace, Un - til I make all tri - als cease."
